RE: Fire Safety Inspection

A fire safety inspection was performed on 12 March 2015, at your facility, New Generation Christian Schools, located at 643 SW Marvin Burnett Rd, Lake City, Florida 32025. During my inspection I was impressed by your staff and their commitment to a fire safe facility. Our Goal for a fire safe community relies on teamwork between you and our staff.

At the time of my inspection your school meets the requirements as outlined in Chapter 15, of the Florida Fire Prevention Code, Fifth Edition 2012.

Again, I'd like to thank you for your dedication to making your facility a safe environment for your students.

Should you require any additional information, please feel free to contact my office.

Sincerely,  
  
Lt. Joshua Wehinger
