Dear Parents/Guardians:

We are constantly striving for a better Christian education for your child/children. In response to that, our Middle School Department at New Generation Christian School will be having a second Middle School “Bonding Experience” this Friday, 8:10 – 11:25 am (during normal class time).

We will be separating the boys from the girls so that each group may comfortably bond, have an opportunity to discuss topics that are of concern to their gender, and to receive some social skills training.

***Some of the topics that we might touch upon may be of the following mature nature:***

- ◆ Relationship building (stopping bullying, gossiping, rumoring, peer pressure)
- ◆ Character building (why it is best to wait to date; having healthy friendships; what is inappropriate regarding dating)

Of course, our discussion with the students *will* be from a Christian perspective.

If you do not want your child to participate, we will make arrangements for your child to continue working on their academics.

As always, if you have any questions regarding our specific topics or about any part of the Bonding Experience, or anything else, please feel free to contact us at **386-758-4710** or [www.newgenerationschool.org](http://www.newgenerationschool.org).

Sincerely,  
*Middle School Department*
